

FACES BEHIND THE PLACES

JENNY LORENZ- RUDKIN

Welcome Home

Jenny Lorenz-Rudkin has been a Realtor for the past five years with RE/MAX Boone Realty. Lorenz-Rudkin has a family history of military service. Her father served in the Army, a brother-in-law built a life-long career with the Air Force and two of her stepsons have also served. For that reason, it's hard for her to imagine any veteran returning from service and finding themselves homeless. For her, volunteering at Welcome Home is truly about "changing lives — one home at a time."

An energetic fundraiser and advocate for Welcome Home, Lorenz-Rudkin rallied local Girl Scout troops and plans to match their cookie box donations for Welcome Home residents. She also donates 10 percent of all her Realtor commissions to Welcome Home. Her passion for helping residents is fueled even more as she gets to know them as individuals, and she would tell anyone that working with Welcome Home will be one of the best uses of their time ... ever!

When she isn't working or volunteering and advocating, Lorenz-Rudkin loves spending time cooking for her children and grandchildren. She also plays the piano, enjoys traveling and is looking forward to an occasional relaxing evening or weekend with the Hallmark Channel.
