

March 1, 2021

Welcome Home Friends and Community,

Due to the ongoing pandemic and associated risks, Welcome Home, Inc. is continuing to restrict all personal visitors and most volunteers to prevent the spread of respiratory illnesses, including coronavirus disease 2019 (COVID-19). We are taking this measure to protect the health and well-being of those we serve, our staff, and their families.

The restriction applies to all outside personal visitors. KP Duty volunteers continue to be restricted and other visitors are on a case-by-case basis with approval by a member of the Leadership Team. Please understand this is in an attempt to protect the spread of the virus and we hope to return to business as usual very soon.

The Leadership Team at Welcome Home will be assisting the organization to ensure that safety is everyone's top priority. As always, House Managers and on-call Case Managers will be available 24/7 to support our Veterans and their family members.

The Missouri Department of Health and Senior Services activated a Statewide Hotline for physicians or public needing guidance for COVID-19. It is operated by medical professionals 24 hours a day, 7 days a week. You can reach the hotline by dialing 877-435-8411.

Thank you for your patience and cooperation.

Signed,

Tim Scott
Operations Supervisor

Jonathan Jedlow
Clinical & Deputy Director

Megan Sievers
Executive Director
