

HOW CAN I MAKE MY DONATION GO FURTHER WITH A MATCHING GIFT?

DOUBLE THE IMPACT. SAME GENEROSITY.

Did you know that thousands of companies offer matching gift programs? When you give to Welcome Home and request a match, your employer may donate an equal—or even greater—amount. It's one of the easiest ways to increase your impact without spending more.

HOW IT WORKS

Give to Welcome Home

Make your donation at
welcomeveterans.org

Check Your Employer's Policy

Visit your company's HR department or benefits portal to see if matching is available.

Submit a Matching Gift Request

Complete your employer's form (paper or online).

Once your employer processes the match, Welcome Home receives additional funding—all thanks to you!

Many companies also match gifts from:

- Retirees
- Part-time employees
- Spouses

Cash or check donations also accepted.

WHY IT MATTERS

Your matched gift helps fund:

- Emergency shelter and long-term housing
- Employment training and job placement
- Mental health support and crisis care
- Outreach to rural veterans and underserved families
